

## *Interdisciplinary Research Paper Evaluation Form*

Student Name \_\_\_\_\_ Research Coordinator \_\_\_\_\_

| Criteria/Assessment                                     | Absent<br>0 | Poor<br>1 | Partially Formed<br>2 | Acceptable<br>3 | Good<br>4 | Excellent<br>5 | Points Earned<br>(Maximum 25) |
|---|-------------|-----------|-----------------------|-----------------|-----------|----------------|-------------------------------|
| I. <b>Focus</b><br>(thesis, plan, unity)                |             |           |                       |                 |           |                |                               |
| II. <b>Support of Thesis</b><br>(relevant evidence)     |             |           |                       |                 |           |                |                               |
| III. <b>Organization</b><br>(structure, logical order)  |             |           |                       |                 |           |                |                               |
| IV. <b>Style</b><br>(sentence structure, diction)       |             |           |                       |                 |           |                |                               |
| V. <b>Mechanics</b><br>(grammar, spelling, punctuation) |             |           |                       |                 |           |                |                               |

### *Preliminary Work:*

Annotated Bibliography (3 points) \_\_\_\_\_

Central Idea, Thesis (4 points) \_\_\_\_\_

Note Cards (7 points) \_\_\_\_\_

Oral Presentation (10 points) \_\_\_\_\_

Rough Draft: Intro, ( 6 points) \_\_\_\_\_  
Thesis and First point

### *Works Cited Tally (Assessment of source and citation frequency and use)*

If box is checked see other side

### *Total Points From Paper:*

\_\_\_\_\_  
*Total Points  
From Preliminary  
Work*

*Grade*

= \_\_\_\_\_ %
